HOW TO BOOK

- We are currently under Tier 1 COVID restrictions and the requirements below are subject to change should the Government raise the level for our area.
- All bookings are for a maximum of 6 people and the group can be from multiple households - this is Tier 1 and it is a legal requirement. So please don't turn up on the day with a 7th person, even if it is 'only' a babe in arms, or one person will find themselves going hungry looking after the baby
- Yes, we can have larger groups from a single household (including support bubble) and if that is you give us a call to discuss and will see what we can do.
- For this year we recommend that all bookings are from the same household (including support bubble) as if we move to Tier 2 we are still able to provide Christmas Day lunch for you.
- Please don't ask about booking larger groups over multiple tables, the answer is no. We simply don't believe you when you say you won't mingle.
- We are open from 12 - 5pm, with all tables seated between 12 - 2pm. If you wish to book please email or call with your request. Bookings will be confirmed once a non-refundable deposit of £10 per head has been paid.
- Full payment is required by the 10th December along with your food choices and is non-refundable unless COVID restrictions change.
- Please let us know of any dietary requirements or allergies when you submit your pre-order so we can make sure your needs are met.
- Cancellation due to COVID restrictions. If the Government raises the area to Tier 3 we will give a 100% refund. Should we go to Tier 2 this will only affect multiple household bookings and we will retain the £10 deposit but refund all additional monies received.
