- Full payment is required by the 10th December along with your food choices and is non-refundable.
- Please let us know of any dietary requirements or allergies when you submit your pre-order so we can make sure your needs are met.
- We try to make Christmas Day a laid back affair, including a reasonable amount of time between courses for conversation. However if you are on a schedule to meet up with family or have young children and want the meal a little faster then let us know and we will do what we can.
